## Activity:2 Doll Making

- Step Two Lay out the pattern on your fabric scraps and cut out the number of pieces listed on the template. Don't worry about being too exact.
- Step Three Roll up one of the white pieces of fabric into a ball and then cover it with the other piece of white fabric. If you are using a craft stick to stiffen the doll insert it into the open end of the white fabric cover piece.
- Step Four Place a rubber band around the neck of the doll to secure the head and craft stick in place.
- Step Five Take one of the colored 6" x 6" squares and drape it over the head of the doll to form a scarf. Add a rubber band around the neck to secure the scarf in place.
- Step Six Take the second 6" x 6" dark fabric piece and wrap it around the bottom section of the doll and craft stick to form the body. The open end of the fabric should be at the back of the doll. Secure it with a rubber band at the neck.
- Step Seven Take your 3" x 6" piece of fabric and wrap it around the shoulders of the doll to create a shawl. Place a safety pin where the ends meet.
