Dear Parents,

Holidays are time when you can connect with your child in many ways. As you are your child's first and most important teacher, you can encourage your child's love of learning by participating in educational activities at home. Working together on the activities will help your child build confidence, learn to reason and develop skills necessary for his/her education.

- Please submit Holiday Homework on 5th July 2018.
- Spend quality time with your children. Take them to see places of interest in Your city.
- Remember to make notes and click photographs of the places you visit.
- Take your child for a morning walk, talk about things you can see around.
- Make your child read a paragraph of English newspaper or English story book daily.
- Explain them the meaning. Note down difficult words in a diary and write their meaning respectively. This will help your child build good vocabulary.
- Let your child help around the house doing small jobs like dusting, cleaning the table, filling water bottles, watering the plants etc.

देखो बच्चो झण्डा प्यारा
 तीन रंगों का मेल है सारा
 सदा रहे यह झण्डा ऊँचा
 आकाश को रहे यह छूता

 बना रहे यह सदा महान
